## BRUU BUILDING USE

# Parking

On-street parking is scarce directly in front of the church and what little there is limited to two hours. Fortunately, there are several municipal parking lots within a couple blocks of the building, including a five-story parking garage next to the train station, between Battle and Main Streets (two blocks from BRUU). There are 30 unnumbered spaces on the 5th level that are available for General Parking (4Hr Public Parking 6.00 a.m. to 6.00 p.m. Mon - Friday). Parking in the deck is unrestricted evenings, weekends, holidays and times other than restricted times specified on parking signage.
