# Auction Training 2022

How to Participate

# Background

The BRUU Auction is one of the most important community events of the year! It

- Builds fellowship through dozens of social events that knit us together as a community
- Harnesses the immense creativity of BRUUers who share their gifts and talents
- Generates a significant proportion of BRUU's income, helping to finance our programs and good work in the broader community

Thanks for participating!

# Training Objective

- Objective is to provide all info needed to participate in the 2022 BRUU Auction

# Outline

- Overview of Auction
- Live Auction Logistics.

# Overview of Auction

- Three tracks
  1. ***Live auction on Dec 3***: bidders will participate at BRUU or on-line via zoom. Two sessions of about 20 items each.
  2. ***Silent auction “red” items, closing Dec 3 between the first and second live sessions***. Bidding conducted on-line via Auctria for about 40 items that can be picked up and taken home that night.
  3. ***Silent auction “blue” items, closing Dec 10***. Bidding conducted on-line via Auctria. This track will have the most items (about 90).

# Overview of Auction

- All three tracks will use Auctria (same system as 2021 auction) for creating the auction catalog, recordkeeping, and billing, but
  1. ***For live auction, bidders will not use Auctria to enter bids.*** We'll use our old system of auctioneers and bid recorders keeping track of bids, with subsequent (behind the scenes) entry into Auctria
  2. ***For silent auctions (red and blue) bidders will use Auctria to enter bids,*** just like last year.

# Overview of Auction

- Prepare for the auction by
  1. ***Register in Auctria and note whether you're attending the live auction in-person or via zoom at [BRUU Annual Auction 2022](https://www.auctria.com) ([auctria.com](https://www.auctria.com))***
  2. ***If you're attending the live auction at BRUU, download Auctria on your smartphone so you can bid on the "red" silent auction items. (Instructions later)***

# Live Auction Logistics

- ***Bidders can participate at BRUU or via zoom.***  
At BRUU we'll have auctioneers, food and drink, and displays of selected silent auction items.
- ***We'll have 2 auctioneers plus a zoom spotter working together*** to make sure in-person bidders and zoom (remote) bidders have fair opportunity to get their bids recognized.
- ***All participants will be issued a bidder number.***
- Just like in pre-covid days, the auctioneers will introduce each item, call out the bidding level, and recognize bidders. A bid recorder will enter the bidder numbers on a tracking sheet which will be shown on the front screen and on zoom.

# Live Auction at BRUU

- Bidders: raise your bidder number when you want to make a bid. If the item is being offered for more than 1 slot, hold up the number of fingers you're bidding for.
- The auctioneer will recognize your bid and a bid recorder will keep track of the bids.
- As with attending Sunday worship services, participants at BRUU must be vaccinated.

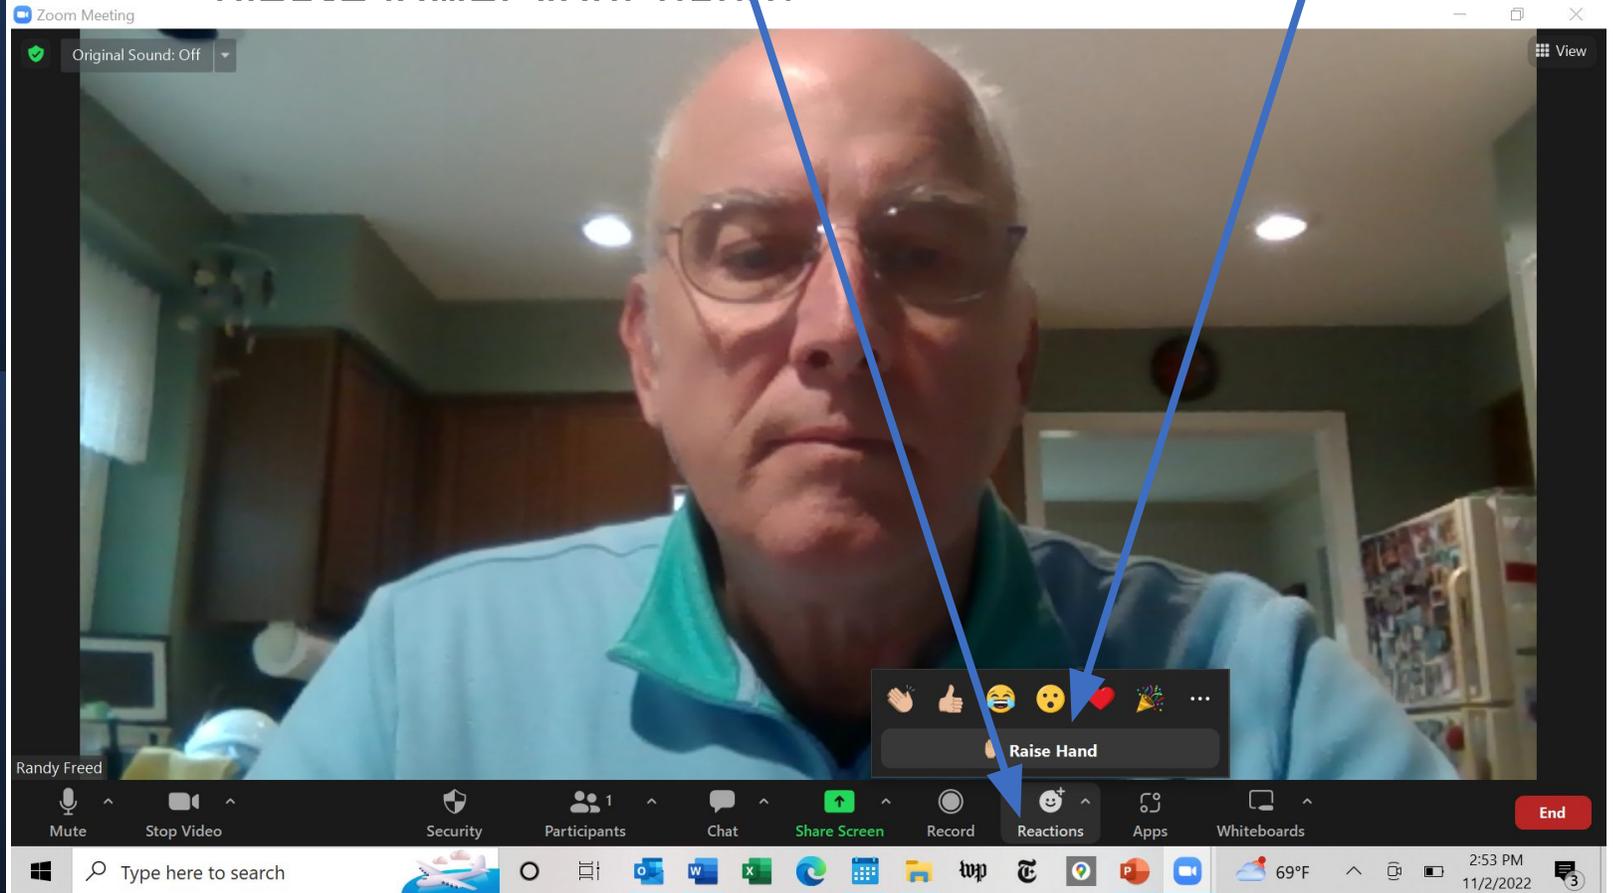

Trish (bidder 221) signifying that she wants 2 slots!

## Live Auction via Zoom

- We'll have a dedicated zoom line [same as Sunday service link]:  
<https://tinyurl.com/bruu-zoom-auction>  
Meeting ID: 848 786 6672 ---  
Password: 018345
- Please print out your bidder number, which will be emailed to you (you can also find this in your Auctria registration).

# Live Auction via Zoom

- To help catch the attention of the auctioneer, use the “Raise Hand” feature in zoom. You’ll find this feature by clicking on “Reactions” and then clicking on “Raise Hand”. This puts you at the front of the gallery of faces and names in zoom. Show your bidder number card and the number of slots you’re bidding on. Once the auctioneer recognizes your bid, please lower your hand!

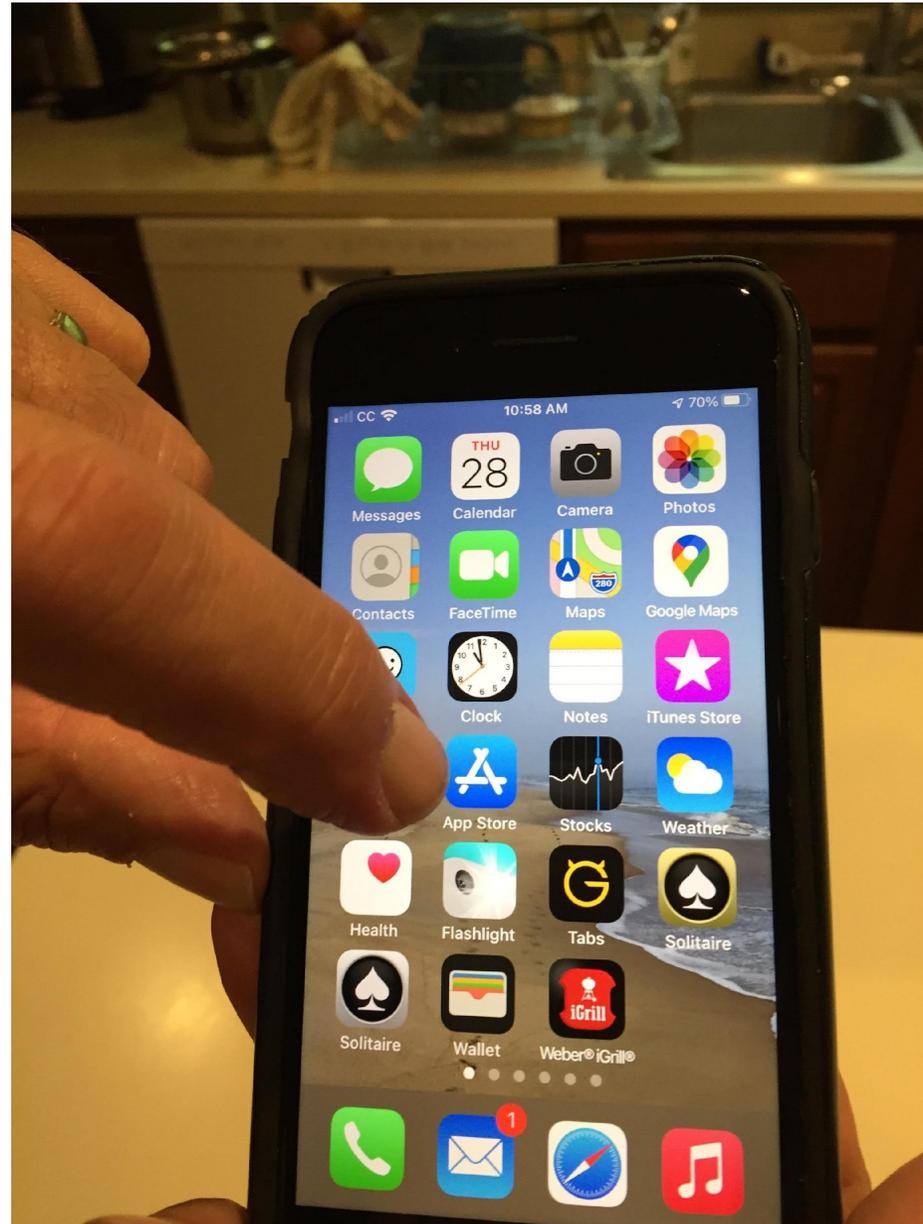

# Silent Auction Logistics

- ***All bidding will be done in Auctria***, which can be accessed through your web browser or, once installed on your smartphone, through the Auctria app.  
***If you're attending the live auction at BRUU, we strongly recommend installing Auctria on your smartphone*** to enable you to bid on the “red” silent auction items (i.e., the ones that close between the 1<sup>st</sup> and 2<sup>nd</sup> live auction sessions). If you have technical problems, we'll have several bid recorders on hand to register your “red” silent auction bids.
